## DATA SOURCES

Table 1, **Total Wages and Taxable Wages**, is based on Quarterly Census of Employment & Wages (QCEW) data summarized in the Vermont Unemployment Insurance publication, Wages, Benefits, Contributions and Employment by Industry (WBCEI). Wage Base is from the annual Taxable Wage Base Determination.

Table 2, **Average Weekly Wages**, is from the WBCEI except for Production Workers in Mfg. which is provided by the Current Employment Statistics program.

Table 3, **Employment and Number of Employers**, is from the WBCEI except that the source for the Quarterly Average of Number of Covered Employers is based on the federal ETA 581 - Contribution Operations report.

Table 4, **Contributions and Interest**, Employer Contributions Amount Due On Wages Paid is based on WBCEI publication. Data for the rest of the table is based on the federal ETA 2112 - UI Financial Transaction Summary report.

Table 5, **Trust Fund and Federal Loans**, the UI Trust Fund and the Unpaid Balance of U.S. Treasury Advances are based on the federal ETA 2112 report. The Current Fund Ratio, Highest Benefit Cost Rate Ten Year Period and the Current Fund Ratio as a Multiple of Highest Benefit Cost Rate are based on the Annual Tax Rate Schedule Determination.

Table 6, **Number of Benefit Payments**, are based on computerized data from the federal ETA 5159 - Claims and Payment Activities report and include Combined Wage Claim payments, where indicated, from the Vermont Department of Labor's Account Activity Detail report.

Table 7, **Dollar Amount of Benefit Payments**, are based on computerized data from the federal ETA 5159 and include Combined Wage Claim payments. Net Amount of Benefits paid is based on the federal ETA 2112.

Table 8, **Maximum and Average Benefit Payments**, is based on the Annual Maximum Weekly Benefit Amount Determination. The remainder of the table is based on computerized data from the federal ETA 5159.

Table 9, **Tax Paying and Noncharged Benefits**, uses data from the federal ETA 5159 for Gross Benefit Costs. The Benefits Not Charged to Employer Accounts are based on the federal ETA 204 - Experience Rating report.

Table 10, **Duration of Benefits and Exhaustion Percentage**, is based on computerized data from the federal ETA 5159 except the Maximum Duration of Benefits in Weeks is based on Vermont statute and the level of claims activity.

Table 11, **Monetary Determinations**, are based on computerized data from the federal ETA 218 - Benefit Rights and Experience report.

Table 12, **Nonmonetary Determination and Redeterminations**, are based on computerized data from the federal ETA 207 - Nonmonetary Determinations Activities report.

Table 13, **Benefit Administrative Law Judges (ALJ) and Board Appeals**, are based on computerized data from the federal ETA 5130 - Benefit Appeals report.

### Notes:

State Extended Benefits (EB) activity May 2009 through July 2010, and May 2020 through Dec 2020, were 100% federally funded, resulting in no impact to Vermont's Unemployment Trust Fund.

None of the State Extended Benefits (EB) reflected in this publication include Federal Emergency Unemployment Compensation (EUC08 and PEUC) benefits.

Federal employees receive benefits under a separate program and are not included in this publication.
