## DATA SOURCES

### Notes:

**State Extended Benefits (EB) activity started May 2009 and ended July 2010 which were 100% federally funded, resulting in no impact to Vermont's Unemployment Trust Fund.**

**None of the State Extended Benefits reflected in this publication include Federal Emergency Unemployment Compensation (EUC08) benefits.**

**Federal employees receive benefits under a separate program and are not included in this publication.**

- Table 1 Total Wages All Employers, Tax Paying Employers and Reimbursing Employers is based on Quarterly Census of Employment & Wages (QCEW) data summarized in the Wages, Benefits, Contributions, and Employment by Industry publication.
- Table 2 All Covered Employment, Tax Paying Employers and Reimbursing Employers are calculated from QCEW data in Table 1 of this publication. Production Workers In Mfg. is provided by the Current Employment Statistics program.
- Table 3 Covered Employment All Employers are based on the Annual QCEW publication. Covered Employment Tax Paying Employers and Covered Employer Reimbursing Employers are based on the QCEW data summarized in the Wages, Benefits, Contributions, and Employment by Industry publication. Number Covered Employers is based on the ETA581 - Contribution Operations report.
- Table 4 Employer Contributions Amount Due On Wages Paid is based on QCEW data in the Wages, Benefits, Contributions, and Employment by Industry publication. Employer Contributions Actually Collected - Net and Interest Earnings are based on the ETA2112 - UI Financial Transaction Summary report.
- Table 5 UI Trust Fund and Unpaid Balance U.S. Treasury Advances are based on the ETA2112 report. The last three columns, Current Fund Ratio, Highest Benefit Cost Rate Ten Year Period and Current Fund Ratio as a Multiple of Highest Benefit Cost Rate are based on the Annual Tax Rate Schedule Determination.
- Table 6 Number of Benefit Payments, Regular and Extended Benefits are based on computerized data from the ETA5159 - Claims and Payment Activities report.
- Table 7 Gross Amount of Benefit Payments, Regular and Extended Benefits are based on computerized data from the ETA5159 and include Combined Wage Claim payments where indicated as reported by the Contribution Section. Net Amount of Benefits paid is based on the ETA2112.
- Table 8 Maximum Weekly Benefit Amount (WBA) is based on the Annual Maximum Weekly Benefit Amount Determination. Average Benefit Payment, Regular and Extended is based on computerized data from the ETA5159.
- Table 9 Gross Benefit Costs are based on computerized data from the ETA5159. Benefits Not Charged to Employer Accounts are based on the ETA204 - Experience Rating report.
- Table 10 Average Duration of Benefits in Weeks is based on computerized data from the ETA5159. Maximum Duration of Benefits in Weeks is based on Vermont statute and level of claims activity. Exhaustions as a Percent of First Payments is based on computerized data from the ETA5159.
- Table 11 Monetary Determinations are based on computerized data from the ETA218 - Benefit Rights and Experience report.
- Table 12 Nonmonetary Determinations and Redeterminations are based on computerized data from the ETA207 - Nonmonetary Determinations Activities report.
- Table 13 Benefit Administrative Law Judges and Board Appeals are based on computerized data from the ETA5130 - Benefit Appeals report.
